CURATOR AND SECRETARY

EDWARD R. GREIG

THE Committee desire to express their thanks to those ladies and gentlemen and to the authorities of the public institutions who have in the most cordial manner placed their collections at the disposal of the Art Gallery for the purposes of this Exhibition.

A Loan Exhibition of Paintings of the English, Old Dutch, Modern Dutch, French and other European Schools was held in 1909. That Exhibition represented fairly the character of the private selections in the possession of citizens of Toronto at that date. The present Exhibition is intended to be similarly representative of such collections at the present time. It is not intended to be representative of any group of schools of painting. It comprises exclusively works of art not exhibited at the former Exhibition and consists for the most part of works acquired during the past ten years.

The right of reproduction of the pictures is reserved on behalf of the owners of the copyright.

The Biographical Notes are by Professor Mavor.

While due care has been exercised, the Exhibition Committee cannot assume the responsibility of attributions.
